

2022 Water Quality Reports Now Available

We're proud to offer to you a detailed report on the quality of the water we're supplying to you. Just go to www.aquarionwater.com/wqr. For a paper copy, call 1-800-832-2373 or email waterquality@aquarionwater.com.

New Program Can Save Qualifying Customers 15% on Water Bills

Aquarion has recently introduced the Low Income Rate Assistance Program (LIRAP) to save low-income, residential households across Connecticut 15% on their water bills.

LIRAP is one of the several initiatives undertaken by Aquarion to support customers during challenging financial circumstances. To be eligible for this program, your income should be below 60% of the state's median income. Please note that LIRAP is exclusively available to residential customers. To apply for LIRAP, simply download the application form from our website and follow the instructions provided for submission through Operation Fuel. Detailed information about LIRAP and

the enrollment application can be found at www.aquarionwater.com/assistance.

We understand the importance of having a reliable source of clean, safe water right at your fingertips, and we strive to make it affordable for all our customers.

Aquarion Honors Its 2023 Environmental Champions

At a special ceremony held at Connecticut's Beardsley Zoo on June 3, all eyes were on the winners of Aquarion's 2023 Environmental Champion Awards.

Each year at the event, we honor volunteer initiatives that have excelled at preserving and improving our state's environmental quality.

THE AWARDS IN THIS YEAR'S CATEGORIES WENT TO:

Adult: Norwalk resident Diane Lauricella for her long-standing dedication to many important local environmental sustainability and justice causes.

Student: Hilary Holmgren of Stratford for her tireless work on behalf of our area's irreplaceable aquatic ecosystems.

Large Business: HMTZ Industries for the environmentally sustainable new corporate headquarters it built in Norwalk.

Small Business: Jones Family Farms in Shelton for six generations of commitment to sustainable agricultural practices.

Non-Profit Organization: The Connecticut River Conservancy (CRC) for spearheading trash clean-ups and invasive plant removal across the river's watershed.

You can find more information on the winners and their very notable accomplishments at www.aquarionwater.com/awards.

Did You Know?

You asked for it! We've removed the service fee on one-time bill payments for our residential customers in Connecticut.
